BLUE ROSE MINISTRY Presents

We also offer PERSONAL CONSULTATIONS through our “extraterrestrial Sources” covering your personal present- life activities, work and personal interests, business and family issues, as well as health-related concerns. (We state that these are given as suggestions, advice or Spiritual healing and are NOT intended in ANY MANNER as prescribing or diagnosing, and this should be clearly understood when submitting any inquiries of the above nature.)

Individuals should submit a 90-minute audio cassette tape, or if desired a \$4.00 donation for same. Questions (inquiries) should be enclosed in a separate envelope and sealed, so that the assistant will be the only person to see the questions and NOT the channel. We do ask that one does NOT seek after where wealth may be discovered through ANY means other than that which is LEGITIMATE or HONEST and preferably work-related. Also avoid those questions dealing with reincarnation or past lives UNLESS it relates to a present emotional or traumatic experienced and/or it is volunteered in answering a query submitted!

We request that one does NOT seek after “physical contact” for whatever reason with our “sources,” as such “sources” if they so desire will know of you through such questions submitted and will of their own interests make effort to make their own “contacts” (we have known of such “contacts” and other “incidents” that have taken place over the last 52 years of our experiences with this “intelligence” and a great deal of this has been documented by us, but NOT intended to satisfy PROOF of same.)

We do ask for a donation of \$60.00 per individual and \$4.00 (if desired) for audio cassette tape.
